

Research Funding Policy

The official research funding policy for Ontario Canola Growers Association research projects is as follows:

“a maximum of 25% overhead can be charged on incurred research project expenses when they are necessary and justified by the research institution”

“neither phone/pager bills nor student laptops are eligible costs for research project budgets”

“no overhead can be charged on research project capital assets expenses over \$10,000”

Policy in effect as of January 2nd, 2025.
